

The Department of Statistical Science is seeking applicants to fill a position at the assistant or associate professor level, beginning August, 2010. Candidates must hold a Ph.D. in statistics or biostatistics by August, 2010, and be committed to excellence in research, teaching, and service, and especially committed to working with statistics Ph.D. students. For more information about the department, see <http://www.baylor.edu/statistics/>. Applicants for the position should submit a letter of intent, current curriculum vitae, transcripts and three letters of reference to [statistics-search-09@baylor.edu](mailto:statistics-search-09@baylor.edu) or to

Search Committee Chair  
Baylor University  
One Bear Place, #97140  
Waco, Texas 76798-7140.

Electronic submission is encouraged, but not required.

Completed applications will be reviewed beginning November 30, 2009 and will be accepted until the position is filled. To ensure full consideration, applications should be completed by November 30, 2009.

For position details and application information, please visit [http://www.baylor.edu/hr\\_services/index.php?id=2139](http://www.baylor.edu/hr_services/index.php?id=2139).

Baylor, the world's largest Baptist university, holds a Carnegie classification as a "high-research" institution. Baylor's mission is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community. Baylor is actively recruiting new faculty with a strong commitment to the classroom and an equally strong commitment to discovering new knowledge as Baylor aspires to become a top tier research university while reaffirming and deepening its distinctive Christian mission as described in Baylor 2012 (<http://www.baylor.edu/vision/>).

*Baylor is a Baptist university affiliated with the Baptist General Convention of Texas. As an AA/EEO employer, Baylor encourages minorities, women, veterans, & persons with disabilities to apply.*
