Pay Rate:

\$4,500 - \$6,000 depending upon qualifications and experience. This position is not eligible for benefits.

Reporting Date: August 17, 2009

The UNIVERSITY OF IDAHO is located in Moscow, Idaho, a growing community of approximately 21,000 noted for its commitment to the arts. Moscow is located in a farming region consisting of rolling hills with nearby mountain, lake, white-water river and stream recreational opportunities. The campus, considered one of the most beautiful in the west, enrolls more than 11,500 students. About 18% of the student population consists of graduate students. Washington State University, located in Pullman, Washington, is only 8 miles from Moscow and offers additional academic and cultural activities.
