

Financial Markets group

Research Officer

Salary: £31,711 - £39,537 pa inclusive

We invite applications for a new post-doctoral Research Officer to work on a major new research project funded by the European Research Council "Nonparametric and Semiparametric Methods in Economics and Finance".

The project is led by Professor Oliver Linton and located in the Financial Markets Group. The appointments are from 1 July 2009 for 24 months (with possible extension).

You must have a PhD and a proven track record of research and publication.

Applications are particularly invited from econometricians, statisticians and applied mathematicians with some of the following skills:

- Good training in Nonparametric statistical methods
- Programming skills
- Knowledge of Empirical finance

A full application pack can be obtained at: www.lse.ac.uk/jobsatLSE
If you cannot download the pack, email: hr.recruit.res@lse.ac.uk or call 0207 955 6737 quoting reference 26/08/RES.

Closing date for receipt of applications is 5.30pm on 18 June 2009.

Regrettably we are unable to accept any applications received after this date.

We value diversity and wish to promote equality at all levels
