The Department of Mathematics at **The University of Arizona** invites applications for both tenure-eligible and non-tenure-eligible faculty positions, beginning August 2010. The successful candidate will be expected to maintain an active research program, to participate fully and with distinction in both undergraduate and graduate education, and to carry out a share of advising duties and committee assignments in support of the Department and of the University's Graduate Interdisciplinary Program (GIDP) in Statistics. For candidates in Statistics, demonstrated experience in or strong potential to develop a research program in statistical theory & methodology is desired. A Ph.D. in Statistics or a related field is required. Applications will be accepted until 12/31/2009. Review will begin on December 1, 2009.

Apply online: <https://www.mathjobs.org/jobs/UA>. The University of Arizona is an equal opportunity and affirmative action employer and encourages applications from individuals with varied experiences, perspectives, and backgrounds M/W/D/V.
