

The Department of Mathematics and Computer Science at Western Kentucky University invites applications for an Assistant Professor tenure-track position in the area of Statistics. Preference will be given to those who have at least 3 years primary teaching experience at the university level and post doctoral experience. Candidates must have grant writing experience and a collaborative research record closely related to research areas currently existing in the department. Western Kentucky University (WKU) is located in Bowling Green, KY and is a research institution with over 20,000 students. WKU is conveniently located just 50 miles from the metro Nashville, TN area. WKU is committed to the promotion of stewardship and student engagement.

Candidates must hold a Ph.D. in statistics, in mathematics, or in a related discipline by the time of appointment. Candidates whose research area would complement that of current faculty are especially encouraged to apply. Candidates should exhibit enthusiasm and a strong commitment to teaching at all levels of undergraduate and graduate mathematics and statistics, directing undergraduate research projects and master's-level theses, continuing a program of high-quality research, and contributing to the department and university service missions. Successful candidates must also have interest in creating new statistics courses and in developing a statistics program.

The application materials required include an AMS coversheet, letter of application, vita, 3 letters of recommendation, and a research statement. Application materials are to be sent to:

Dr. Melanie Autin, Search Committee Chair
Department of Mathematics and Computer Science
Western Kentucky University
1906 College Heights Blvd. #11078
Bowling Green, KY 42101-1078

The committee will begin reviewing applications on November 16, 2009. All qualified individuals are encouraged to apply including women, minorities, persons with disabilities and disabled veterans.
