

DEPARTMENT OF STATISTICS

COLUMBIA UNIVERSITY

Faculty Position Starting Fall 2010

The Department of Statistics at Columbia University invites applications for one or more Assistant Professor positions, commencing July 1, 2010. A PhD in statistics or a related field and commitment to high quality research and teaching in statistics and/or probability are required. Outstanding candidates in all areas are strongly encouraged to apply. Candidates will be expected to sustain an active research and publication agenda and to teach in the departmental undergraduate and graduate programs.

The department currently consists of 20 faculty members, 40 PhD students, and over 100 MS students. The department has been expanding rapidly and, like the University itself, is an extraordinarily vibrant academic community. For further information about the department and our activities, centers, research areas, and curricular programs, please go to our web page at: <http://www.stat.columbia.edu>.
