The Department of Mathematics is seeking to hire a tenure track Assistant Professor in Mathematics with preference for specialization in Statistics or a closely related field starting Fall 2016.

**Position Description (responsibilities/duties)**
The successful candidate will be expected to establish a strong commitment to high-quality research in their identified area of specialization. The candidate must also be dedicated to the teaching and mentoring of students at the graduate and undergraduate levels. In addition the candidate must be actively engaged in service to the department, college, university and mathematical community.

**Qualifications**

**Required:**
1. A doctorate in mathematics, statistics, or a closely related field.
2. A strong and sustained research record or potential in any area of mathematics.
3. Evidence of, or potential for, excellence in teaching.
4. A strong preparation in mathematics and an ability to contribute to departmental missions.

**Preferred:** An applicant whose specialization is statistics or applied Mathematics and applicants with high potential for research collaboration with current faculty.

**Application Procedures**
A completed application will consist of an AMS Application Cover Sheet, cover letter, vita, all undergraduate and graduate transcripts (unofficial acceptable for initial screening), summary statement of research, statement of teaching, and at least 3 letters of recommendation, at least one of which addresses teaching potential. All application materials should either be submitted through mathjobs.org or sent to:

Faculty Hiring in Applied Mathematics,  
Texas State University  
Department of Mathematics  
601 University Drive  
San Marcos, TX 78666 USA

Email: math@txstate.edu  
Phone: 512-245-2551  
Fax: 512-245-3425

To ensure full consideration, all materials should arrive by **November 15th, 2015**. However, applications will be accepted until the position is filled.
