Department of Statistics
Columbia University

Faculty Positions Starting Fall 2016

The Department of Statistics invites applications for two faculty positions in applied/interdisciplinary statistics to begin July 1, 2016. The positions may be filled at any rank from tenure-track assistant professor through full professor with tenure. A Ph.D. in statistics or a related field and commitment to high quality research and teaching in statistics and/or probability are required. Candidates will be expected to sustain an active research and publication agenda and to teach in the departmental undergraduate and graduate programs. Candidates interested in an affiliation with the Data Science Institute are strongly encouraged to apply.

The Department currently consists of 30 faculty members, 45 PhD students, and over 200 MA students. The Department has been expanding rapidly and, like the University itself, is an extraordinarily vibrant academic community. For further information about the Department and our activities, centers, research areas, and curricular programs, please go to our webpage at: http://www.stat.columbia.edu

For information about the Data Science Institute, please see web page at: http://datascience.columbia.edu

Applicants at all ranks are required to create an applicant profile and upload a CV through Columbia’s online Recruitment of Academic Personnel System (RAPS). To begin the application process, please go to: https://academicjobs.columbia.edu/applicants/Central?quickFind=61490

Additionally, applicants must submit materials through Head Hunter. To apply for the senior position click on this link (https://editorialexpress.com/apply/columbia_statistics_senior_recruiting_2016_a89). To apply for the junior position click on this link (https://editorialexpress.com/apply/columbia_statistics_junior_recruiting_2016_a90). The Department of Statistics positions will be visible in Head Hunter by clicking on "Positions" after logging in to the Candidate Application Interface.

In Head Hunter, applicants for this position at the assistant professor or non-tenured associate professor rank should submit a cover letter, Curriculum Vitae, a brief statement of their research plans, one writing sample, and arrange for three letters of reference to be sent on their behalf. Applicants at the tenured associate professor and full professor rank should submit a cover letter and Curriculum Vitae.

Applications will only be considered for the position once the process is completed both in RAPS and in HEAD HUNTER.

Inquiries may be made to dk@stat.columbia.edu
Review of applications begins on December 2, 2015, and will continue until the position is filled.

Columbia University is an Equal Opportunity/Affirmative Action employer.
