LECTURER IN APPLIED MATHEMATICS OR STATISTICS
Job Ref: REQ16501

As part of the University’s ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.

The Department of Mathematical Sciences (http://www.lboro.ac.uk/departments/maths/) is part of the School of Science (http://www.lboro.ac.uk/science/) at Loughborough.

Job Description
Please note that this is a generic job description for the position of Lecturer.

Job Grade
Research, Teaching and Enterprise Grade 6/7

Job Purpose
To contribute to and enhance the research, teaching and enterprise activities of the Department of Mathematical Sciences in the area of modelling and industrial mathematics, or applied probability and statistics, in support of the University Strategy, Building Excellence.

Job Duties

Research
• To pursue a personal research programme consistent with the research priorities of the Department of Mathematical Sciences in the School of Science that increases the global visibility and reputation of the University.
• To secure external research funding.
• To supervise and manage research projects.
• To publish the outcomes of research in outlets of international standing.
• To attend and contribute to major international conferences.
• To supervise postgraduate students at Masters and Doctoral levels.
• To collaborate in research initiatives with colleagues both within the University and externally.

Teaching
• To work with colleagues in the School to deliver an exceptional learning environment for students.
• To teach and inspire undergraduate and postgraduate students, and to conduct associated assessments.
• To provide academic and pastoral support to undergraduate and postgraduate students.
• To promote the use of a range of methods and techniques in teaching, learning and assessment.
• To engage in the evaluation and development of modules for which you have responsibility, in terms of content, delivery and assessment.
• To be responsible for the design and content of specific areas of teaching and learning within the School’s undergraduate and postgraduate programmes.
• To cooperate with colleagues in the continuous review and development of the School’s taught programmes and curriculum.

Enterprise
• To engage with business, public and voluntary organisations through knowledge exchange activities such as student projects and placements, research collaboration, consultancy and specialist training.
To create social, cultural and economic impact from academic, especially research, activity.
To secure external funding in support of these activities.
To seek opportunities for the commercialisation of research and the formation of social enterprises.

Related Activities and Functions
- To work effectively with relevant administrative, technical and academic staff in the School and across the University.
- To carry out specific administrative roles and functions as may be reasonably required.
- To take part in and, on occasion, act as chair of one or more School committees.
- To engage in training programmes in the University (e.g. through Staff Development) which are consistent with your needs and aspirations and those of the School.
- To undertake such other duties as may be reasonably requested and that are commensurate with the nature and grade of the post.
- To engage fully with the annual Performance and Development Review (PDR) process.

Points to Note
The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

Special Conditions
All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University’s Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University’s Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University’s mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.

Organisational Responsibility
Reports to the Dean of Science.
**Person Specification**

Your application will be reviewed with respect to meeting the essential and desirable criteria listed below. Your application will be reviewed against the essential and desirable criteria listed below. Applicants are strongly advised to explicitly state and evidence how they meet each of the essential (and desirable) criteria in their application. Stages of assessment are as follows:

1 – Application  
2 – Skype or telephone interview  
3 – Presentation to Staff and Students  
4 – Interview

Conditions of Service

The position is full-time and open-ended. Salary will be on Research, Teaching and Enterprise Grade 6, £34,576 to £37,768 or Research, Teaching and Enterprise Grade 7, £38,896 to £46,414 per annum. at a starting salary to be confirmed on offer of appointment.

The appointment will be subject to the University’s normal Terms and Conditions of Employment for Academic and Related staff, details of which can be found here.

The University is committed to enabling staff to maintain a healthy work-home balance and has a number of family-friendly policies which are available at http://www.lboro.ac.uk/services/hr/a-z/family-leave-policy-and-procedure---page.html.

We also offer an on-campus nursery with subsidised places, subsidised places at local holiday clubs and a childcare voucher scheme (further details are available at: http://www.lboro.ac.uk/services/hr/a-z/childcare-information---page.html.

In addition, the University is supportive, wherever possible, of flexible working arrangements.

We also strive to create a culture that supports equality and celebrates diversity throughout the campus. The University holds a Bronze Athena SWAN award which recognises the importance of support for women at all stages of their academic career. The Department of Mathematical Sciences holds a Silver Athena SWAN award.

For further information on Athena SWAN see http://www.lboro.ac.uk/services/hr/athena-swan/

Informal Enquiries

Informal enquiries should be made to Dr Andy Archer, Head of Department by email at A.J.Archer@lboro.ac.uk or by telephone on 01509 228223.

Applications

The closing date for receipt of applications is Sunday 18 September 2016. Shortlisted candidates will be interviewed via 15 minute Skype interviews (or an equivalent suitable technology) before further shortlisting and a full University selection panel.
