Visiting Assistant Professor in Statistics, Lawrence University

Starting Date: 2017/09/01

Job Ad:

Lawrence University, a highly selective liberal arts college and conservatory of music enrolling 1450 students located in Appleton, Wisconsin, invites applications for a one-year position in statistics starting September 2017. The position may be extended for an additional two years. A PhD in statistics or biostatistics is preferred, but candidates who are ABD or who have a Master’s degree in statistics will be considered. The successful applicant will teach two courses per term for three ten-week terms a year at all levels of the undergraduate statistics curriculum. In addition, all Lawrence faculty enjoy the opportunity to teach advanced subjects and specialized material through independent study and tutorial work with highly motivated and interested students. Via MathJobs.org, submit a cover letter explaining interest in Lawrence particularly, curriculum vitae, graduate transcripts, and a statement on teaching. In their teaching statement, candidates are encouraged to address their commitment to fostering a truly engaged and supportive experience for a diverse community of learners. Arrange for at least two letters of recommendation to be sent that attest specifically to teaching expertise. Additional letters addressing research expertise will also be welcome. Email inquiries welcome to Professor Alan Parks at parksa@lawrence.edu. Please submit formal application materials to MathJobs as soon as possible. Review of materials will begin immediately; the position will remain open until filled. Lawrence is committed to enhancing the diversity of its faculty and staff and the viewpoints and approaches that a diverse community represents. We strongly encourage applications from candidates who can contribute to Lawrence through further diversification of the faculty or by implementing diversity-related initiatives. See http://bit.ly/2fAJt32 for more information about Lawrence and its surrounding community. Candidates are encouraged to read more about Lawrence at www.lawrence.edu and Colleges That Change Lives.

Application Materials Required:

Submit the following via Mathjobs

- Cover letter
- Curriculum Vitae
- Teaching Statement
- Copy of Graduate Transcript
- At least two letters of recommendation addressing teaching
