University of Notre Dame: College of Science: Applied and Computational Mathematics and Statistics

Assistant, Associate, or Full Professor of Statistics (Multiple Positions)

Location: Notre Dame
Closes: Dec 2, 2016 at 11:59 PM Eastern Time (GMT-4 hours)

APPLICATIONS MUST BE SUBMITTED USING THE LINKS IN THE APPLICATION INSTRUCTIONS BELOW. PLEASE DO NOT APPLY TO THIS POSITION DIRECTLY.

The Department of Applied and Computational Mathematics and Statistics (ACMS) in the University of Notre Dame has two statistics positions at ranks from tenure-track assistant professor to tenured professor level to fill this year. Preference will be given to applicants whose research includes multi-disciplinary collaborations.

ACMS includes research groups in applied mathematics, statistics and computational science. ACMS offers a Bachelor of Science, a doctoral degree, a research master's degree, and a professional master's degree. ACMS is a department in the College of Science. The teaching load in ACMS is three courses per year, and the positions begin in August 2017.

We will begin reviewing completed applications October 1, and continue accepting applications through December 1.

QUALIFICATIONS
The successful statistics applicants must have a doctorate in statistics, biostatistics, or a closely related field, and a record of success in both research and teaching.

APPLICATION INSTRUCTIONS
Applicants must submit a cover letter, curriculum vitae, research and teaching statements, and should also arrange for at least three letters of recommendation to be submitted through the Interfolio system. These letters should address the applicant's research accomplishments and supply evidence that the applicant has the ability to communicate articulately and teach effectively.

If the application is for a tenure-level position teaching evaluations from the past three years are also required.

To apply for an assistant professor position, visit: http://apply.interfolio.com/36238

To apply for an associate or full professor position, visit: http://apply.interfolio.com/36241

Applicants are invited to contact the Department Chair, Andrew Sommese, at sommese@nd.edu, at any time.

This appointment is contingent upon the successful completion of a background check. Applicants will be asked to identify all felony convictions and/or pending felony charges. Felony convictions do not automatically bar an individual from employment. Each case will be
examined separately to determine the appropriateness of employment in the particular position. Failure to be forthright or dishonesty with respect to felony disclosures can result in the disqualification of a candidate. The full procedure can be viewed at http://facultyhandbook.nd.edu/university-policies/background-check-procedure-for-prospective-faculty/.

EQUAL OPPORTUNITY EMPLOYMENT STATEMENT

The University of Notre Dame seeks to attract, develop, and retain the highest quality faculty, staff and administration. The University is an Equal Opportunity Employer, and is committed to building a culturally diverse workplace. We strongly encourage applications from female and minority candidates and those candidates attracted to a university with a Catholic identity. Moreover, Notre Dame prohibits discrimination against veterans or disabled qualified individuals, and requires affirmative action by covered contractors to employ and advance veterans and qualified individuals with disabilities in compliance with 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a).
