The Department of Statistics invites applications for a faculty position in applied/interdisciplinary statistics to begin July 1, 2017. The position may be filled at any rank from tenure-track assistant professor through full professor with tenure. A Ph.D. in statistics or a related field and commitment to high quality research and teaching in statistics and/or probability are required. Candidate will be expected to sustain an active research and publication agenda and to teach in the departmental undergraduate and graduate programs. Candidate interested in an affiliation with the Data Science Institute are strongly encouraged to apply.

The Department currently consists of 30 faculty members, 50 PhD students, and over 300 MA students. The Department has been expanding rapidly and, like the University itself, is an extraordinarily vibrant academic community. For further information about the Department and our activities, centers, research areas, and curricular programs, please go to our webpage at: http://www.stat.columbia.edu

For information about the Data Science Institute, please see web page at: http://datascience.columbia.edu

Applicants at all ranks are required to create an applicant profile and upload a CV through Columbia’s online Recruitment of Academic Personnel System (RAPS). To begin the application process, please go to: https://academicjobs.columbia.edu/applicants/Central?quickFind=63544

Inquiries may be made to dk@stat.columbia.edu

Review of applications begins on December 2, 2016, and will continue until the position is filled.

Columbia University is an Equal Opportunity/Affirmative Action employer.
