**Position Summary:**
The Department of Mathematics and Statistics at Villanova University invites applications for a tenure track position in Statistics with the rank of Assistant Professor. The position begins in the Fall of 2018, and the teaching load is 15 credits per year for at least the years leading to the tenure decision. Candidates from all areas of Statistics are invited to apply.

Join a dynamic group of nine statisticians with varied research interests. Our program features a well-established Master’s in Applied Statistics and a new minor in Statistics. Graduates of our program pursue careers in the pharmaceutical and healthcare industries as well as in business, consulting, and education. Some also pursue a Ph.D. in Statistics or a related field. Further information about the department can be found at www.villanova.edu/artsci/mathematics.

Villanova is a Catholic university sponsored by the Augustinian order. Diversity and inclusion have been and will continue to be an integral component of Villanova University’s mission. The University is an Equal Opportunity/ Affirmative Action employer and seeks candidates who understand, respect and can contribute to the University’s mission and values. Members of underrepresented groups are especially encouraged to apply.

**Duties and Responsibilities:**
- Teach courses in Statistics at the introductory, upper division, and graduate levels.
- Establish and maintain a research program in your area of expertise.
- Be an active member of the department, the Villanova community, and the profession.

**Minimum Qualifications:**
- Ph.D. in Statistics or a related field (or near completion).
- Commitment to excellence in both teaching and research.

**Special Message to Applicants:**
Applicants must apply online at https://jobs.villanova.edu/. All applications are to include:
- Cover letter.
- Curriculum vitae.
- Copies of academic transcripts (undergraduate and graduate).
- At least three letters of recommendation.
- Statement of Teaching Philosophy
- Statement of Research Interests
For finalists, an official graduate transcript will be required.

An email will be sent to your references with a secure web link asking that they submit confidential letters of recommendation.

Review of applications begins upon receipt and continues until the position is filled. We invite you to apply by November 1 for full consideration.
