UCLA Statistics/Institute of the Environment and Sustainability Joint Faculty Search

Open-ranked faculty position (tenure-track Assistant Professor or tenured Associate/Full Professor) split in the Department of Statistics (50%) and the Institute of the Environment and Sustainability (50%) at the University of California, Los Angeles. We seek outstanding applicants contributing to the cutting edge development of applied environmetrics and the analysis of large environmental datasets. Applicants will be expected to advise students through our graduate programs in Environment and Sustainability, Environmental Sciences and Environmental Engineering, and Statistics, each with a focus on Interdisciplinary training.

We welcome applicants whose experience in research, teaching and service have prepared them to contribute to UCLA’s commitment to excellence and diversity. Ph.D. in Statistics, Environmental Science, or a closely related field is required by date of anticipated appointment of July 1, 2018. Salary will be commensurate with education and experience. Please refer to job tracking number JPF03278 on all correspondence.

Reviews for the position will commence on January 2, 2018 and will continue until a successful candidate is identified. Interested applicants should apply at UCLA Academic Recruit at:

https://recruit.apo.ucla.edu/apply/JPF03278

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. For the complete University of California nondiscrimination and affirmative action policy see: UC Nondiscrimination & Affirmative Action Policy at

http://policy.ucop.edu/doc/4000376/NondiscrimAffirmAct

Applicants should submit:

1) CV
2) Cover letter describing how their qualifications and interests would fit with the position description
3) Two representative publications (or preprints)
4) Statement of research
5) Statement of teaching
6) Three letters of recommendation

All inquiries may be sent to Chie Ryu at chie.ryu@stat.ucla.edu.
