ASSOCIATE PROFESSOR, STATISTICAL AND SOCIAL SCIENCE

The Department of Sociology and the Department of Statistical Sciences in the Faculty of Arts and Science at the University of Toronto invites applications for a joint (51% Statistical Sciences, 49% Sociology) tenure-stream appointment. The appointment will be at the rank of Associate Professor and will begin on July 1, 2018.

We are interested in candidates from all areas of sociology and statistical science whose research program advances both disciplines. We are particularly interested in exceptional candidates who transcend traditional statistical and sociological research topics, who complement our existing strengths, and who are working on non-traditional areas at the cutting edge of both disciplines.

Applicants must have a Ph.D. in Sociology, Statistics or a closely related field. The successful candidate must demonstrate a mature research program with a sustained record of research contributions at the highest international levels expected of a leading researcher, as judged by publications in top ranked and field-relevant academic journals, invited presentations at top international conferences, research awards and accolades, and exceptional endorsements by referees of the highest international stature. Evidence for excellence in teaching is based on strong letters of reference and a teaching dossier containing a strong statement of teaching philosophy, teaching accomplishments and evaluations.

The University of Toronto is an international leader in sociology and statistical science research and education. Successful candidates are expected to pursue independent, innovative research at the highest international level; to establish a strong externally funded independent research program; to have a strong commitment to undergraduate and graduate teaching, and to contribute to the enrichment of both Departments. The successful candidate will join a vibrant intellectual community of world-class scholars at Canada’s leading University. The Greater Toronto Area offers amazing cultural and demographic diversity and one of the highest standards of living in the world.

Salary to be commensurate with qualifications and experience..

Applicants should apply online AcademicJobsOnline, academicjobsonline.org/ajo/jobs/9848, and include a curriculum vitae, a list of publications, research and teaching statements, as well as a teaching dossier. Applicants should also arrange to have at least three letters of reference (on letterhead and signed) uploaded through AcademicJobsOnline directly by the writers.

Review of applications will begin on October 31, 2017 and applicants should endeavor to have all materials submitted by then, however applications will be accepted until the position is filled.
