Brief Description of PSU/School/Dept

Portland State University is Oregon’s most affordable public research university, located in the heart of one of America’s most dynamic cities. Our mission to “let knowledge serve the city” reflects our dedication to turning ideas into action — in Portland and around the world. The city is our campus, giving student’s unmatched access to career connections, a vibrant cultural scene and hands-on learning experiences with hundreds of community partners. More than 27,000 students from all backgrounds bring diverse perspectives to our classrooms and campus life, from the tree-lined Park Blocks to the bustling Urban Plaza and state-of-the-art science labs. We are proud of our world-class faculty, groundbreaking research and international reputation for excellence in sustainability, community engagement and innovation.

The Fariborz Maseeh Department of Mathematics and Statistics is part of the College of Liberal Arts and Sciences and is a premier provider of graduate education and training in Mathematics, Statistics, and Mathematics Education in the Portland metropolitan area. The Department has a thriving MS program in Statistics and an established and growing Ph.D. in Mathematical Sciences with specialization in Statistics. **Position Summary**

The Fariborz Maseeh Department of Mathematics and Statistics at Portland State University invites applications for a non-tenured track continuing position in Statistics at the level of Instructor or Senior Instructor I. The successful applicant will be expected to teach undergraduate level Statistics courses, contribute to the curricular offerings of the department, and participate in service activities appropriate to interest and expertise. The department is particularly interested in applicants who can work collaboratively with social science partners in the College of Liberal Arts and Science and other applied scholars across campus. Candidates experienced in teaching online courses should note that in their application. The normal teaching load for this position is three courses per term.

**Primary Activity** I - Instructional

**Minimum Qualifications** Masters degree in Statistics or equivalent.

**Preferred Qualifications** Ph.D. in Statistics or equivalent.

**Key Cultural Competencies**

- Creates an environment that acknowledges, encourages and celebrates differences.
- Functions and communicates effectively and respectfully within the context of varying beliefs, behaviors, orientations, identities and cultural backgrounds.
- Seeks opportunities to gain experience working and collaborating in diverse, multicultural, and inclusive settings with a willingness to change for continual improvement
- Adheres to all PSU’s policies including the policies on Prohibited Discrimination & Harassment and the Professional Standards of Conduct.

**Environmental Stewardship**

Contributes to a culture of environmental stewardship, practices resource conservation, and actively works toward achieving long-term sustainability goals.
### Professional Standards of Conduct
At Portland State University, all employees are expected to conduct themselves in a professional manner which maintains a safe, respectful, and productive environment for faculty, students, administrators, and staff. It is the responsibility of every member of the Portland State University community to conduct themselves in accordance with our PSU Professional Standards of Conduct which are available at www.pdx.edu/hr/professional-standards-conduct.

### Total Compensation Range & Benefits Statement
The starting annual salary rate for this position will be dependent upon qualifications and experience with an excellent benefits package including 95% premium paid healthcare; a generous retirement and vacation package; and reduced tuition rates for employee, spouse or dependent at any of the Oregon Public Universities.
