Missouri State University
Department of Mathematics
Tenure Track Assistant Professor of Statistics

The Department of Mathematics at Missouri State University seeks a tenure-track (9-month) Assistant Professor in statistics. The ideal candidate will have a well-defined research program in statistics that will enhance current department research interests in applied statistics, data analysis, can lend support to our program in actuarial science, and be committed to innovative teaching.

Department Website: https://math.missouristate.edu

Required Qualifications: Applicants must have (or anticipate completion by August 2020) a doctoral degree in statistics or biostatistics, exhibit strong potential for research, exhibit evidence of excellence in teaching, commitment to service and professional activities, and exhibit effective oral and written communication skills. The ability to develop knowledge, respect, and skills to engage with those of other cultures or backgrounds is required. The letter of application must include a commitment to working with diverse populations.

Duties: Teaching statistics courses at both undergraduate and graduate levels; curriculum development; engaging in research leading to peer-reviewed publications; supervising student research/projects; service to the Mathematics department, College of Natural and Applied Science, Missouri State University, the local/regional community and the profession.

To Apply: https://jobs.missouristate.edu

All applicants must submit the following in the electronic employment application: cover letter, curriculum vita, statement of teaching interests and philosophy, statement of research plan, copies of recent preprints/publications, transcripts, and contact information for 3-5 professional references.

Employment will require a criminal background check at University expense and submission of official transcripts.

Screening of applications begins November 15, 2019 and continues until the position is filled.

Missouri State University is an equal opportunity/affirmative action/minority/female/veterans/disability/sexual orientation/gender identity employer and institution. We encourage applications from all academically qualified people interested in educational opportunities, regardless of the applicant’s race, ethnicity, sex, veteran’s status, disability, sexual orientation, or gender identity.
