FACULTY POSITION ANNOUNCEMENT
TENURE-TRACK

Department: MATHEMATICS
Effective Date of Appointment: August 21, 2020
(Subject to Budgetary Approval)
Rank: Assistant Professor Applied Mathematics/Statistics, Tenure Track

About the University:
The newest addition to the California State University system, California State University Channel Islands (CSUCI) opened in 2002 with 629 transfer students and welcomed its first freshman class in fall 2003. Since that time, the University has grown and developed into one of the premier public universities not only in the Cal State system but also in the nation. Indeed, in its 2018 ranking, U.S. News & World Report listed CSUCI as the 18th highest-ranked public university in the western United States. Moreover, CSUCI was ranked 18th of over 1,300 schools in CollegeNET’s Social Mobility Index in 2017. In a commitment to inclusive excellence of opportunity for its students, the University offers an array of degrees and community and social activities.

CSUCI is a public comprehensive university that engages students in critical inquiry and is dedicated to educating leaders for a global society. CSUCI is located in Ventura County and home to more than 6,800 undergraduate and 240 graduate students. We are proud to note that our campus is a designated Hispanic Serving Institution (HSI). 50% of the CSUCI undergraduate students are Latinx, 29% are White, 2% are African-American, 5% are Asian-American, and 4.5% are multiracial. We seek applicants who are dedicated to serving California State University, Channel Islands’ (CSUCI) growing diverse student body as a tenure-track assistant professor beginning in the 2020-2021 academic year.

CSUCI Mission Statement:
Placing students at the center of the educational experience, California State University Channel Islands provides undergraduate and graduate education that facilitates learning within and across disciplines through integrative approaches, emphasizes experiential and service learning, and graduates students with multicultural and international perspectives.

About the Program:
The Mathematics Department at CSUCI has several programs: a BS in Mathematics with a choice between four tracks in Pure Math, Applied Math, Math Education, and Statistics, an MS in Mathematics, and minors in Mathematics, Data Analysis, Foundational Mathematics, and Philosophy. The Mathematics program is also responsible for teaching the vast majority of First Year Students in a quantitative reasoning course. Our faculty are actively engaged in curriculum development, research collaborations, grant acquisitions, student projects, and service to the campus and community. We encourage our faculty as they implement innovative, or evidence-based high impact practices, student-centered learning activities, and foster an inclusive learning environment. We support a collegial environment and shared governance.
**CSUCI’s Commitment to You:**
CSUCI provides excellent faculty support services for new hires to settle in and join a collaborative and supportive community. With the proper support, the successful candidate will contribute to the mission of the school and university.

---

**Qualifications:**

**Minimal Qualifications** – Applicants must have Ph.D. degree in Mathematics or Statistics or a closely related field. ABD candidates will be considered but must have completed the Ph.D. degree by **August 20, 2019**.

---

**Required Qualifications**

- Ph.D. in Mathematics or Statistics or closely related field from an accredited institution
- Evidence of on-going research activities in data analysis, statistics or math modeling.
- Excellence in teaching with a variety of methodologies.
- Experience with modern software (such as R, SAS, Python, various data bases).
- Experience with and commitment to working in a multiethnic, multilingual, and multicultural environment.
- Applicants should demonstrate the ability and commitment to effectively work with and engage a diverse student population and evidence of successful mentoring minoritized students with special focus on Latinx, African-American, and Native American students.

---

**Preferred Qualifications**

- broadly trained, with the ability and interest in teaching a wide range of courses
- expertise in statistics and data analytics
- record of or plan for grant and contract acquisition
- experience with interdisciplinary research and/or collaborations
- plans to engage students in research projects

---

**Responsibilities:**

- research
- teaching undergraduate and graduate courses
- service to the department, university, professional community
- engagement with local entities and community
**Application Deadline:**

Screening of applications will begin **December 9, 2019**. Priority will be given to applicants who meet the screening deadline; however, the position will remain open until filled.

**Applicants must submit the following materials:**

1. a letter of application,
2. curriculum vitae,
3. names and email addresses of three references,
4. three current reference letters,
5. a statement describing your experience mentoring and/or working with minoritized students with a special focus on Latinx, African-American, and Native American students, and
6. a teaching philosophy describing how you plan to engage and interact with students, with a special focus on Latinx, African-American, and Native American students.

In later phases of the search process, applicants may be requested to provide verification of terminal degrees, licenses and certificates.

**Submit all required materials to the PeopleAdmin application web address below:**

**General Information:**

Evidence of degree(s) required at time of hire.

At time of appointment, the successful candidate, if not a U.S. citizen, must have authorization from the Bureau of Citizenship and Immigration Services to work in the United States.

The person holding this position may be considered a ‘mandated reporter’ under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in [CSU Executive Order 1083](https://www.csucifacultyjobs.com/applicants/jsp/shared/frameset/Frameset.jsp?time=1565139507155) as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

CSUCI is an Equal Opportunity Employer and prohibits discrimination on the basis of race, color, ethnicity, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, and disability. Our nondiscrimination policy is set forth in [CSU Executive Order 1096](https://www.csucifacultyjobs.com/applicants/jsp/shared/frameset/Frameset.jsp?time=1565139507155).
