Lecturer in Statistics

Job Description:

**Summary of Duties and Responsibilities:**
The Statistics Department in the College of Liberal Arts and Sciences at Iowa State University is accepting applications for a lecturer position. Primary duties include teaching statistics courses, assisting with the coordination of multi-section introductory statistics courses, and assisting with the training of instructors and teaching assistants. This is a 1 year term appointment beginning 1/1/2020 with a course load that includes teaching 4 courses during the spring semester and 4 courses during the fall semester.

**Required Minimum Qualifications:**
M.S. in statistics or closely related discipline
Experience teaching statistics or a closely related discipline

**Preferred Qualifications:**
Ph.D. or equivalent degree in statistics or a closely related discipline
Demonstrated excellence in teaching college level statistics
Proven ability to work and collaborate with diverse populations of students, faculty, and staff

**Department/Program & College Description:**
The doctoral program in Statistics is ranked as one of the top programs in the country graduating about 15 PhD students annually. The program currently has about 140 graduate students, 100 undergraduate majors, and 38 faculty. Faculty and students have traditionally maintained strong collaborations across campus. The Statistics Department is located in Snedecor Hall, which received an extensive renovation in 2009.

**Department Unit/Website:**
https://www.stat.iastate.edu/

**Proposed Start Date:**
January 1, 2020

**Proposed End Date or Length of Term:**
December 31, 2020

For guaranteed consideration, please apply by November 15, 2019.
