Job Openings at Department of Statistics, School of Management, Fudan University

Description:
The Statistics Department at School of Management, Fudan University invites applications for Assistant Professor/Associate Professor/Full Professor, starting from August 2020 or earlier. We offer competitive salary, research fund, housing allowance and nice working environment.

Requirements:
Applicants should have a Ph.D. degree in the relevant field from a prestigious university and be able to teach undergraduate, graduate and MBA courses. The appointee is also expected to commit to high-quality scholarly research, submit grant proposals and publish in major academic journals.

• For Associate Professor or Professor level: applicants should be able to demonstrate excellent teaching and research records.
• For Assistant Professor level: applicants should be able to demonstrate strong potential for research and teaching.

Interested candidates please submit your electronic application package with the subject heading “Fudan Statistics Faculty Application” to hrfdms@fudan.edu.cn. The required application materials are cover letter, curriculum vitae, and samples of published or working papers. Relevant evidence of teaching effectiveness will be a plus if available.
Three letters of recommendation can be sent later in separate emails directly to hrfdms@fudan.edu.cn.
